

Smart Desktop Terminal

# SUNMI D3 PRO

Your essential desktop to grow business.

## Minimalist and durable, as all 3rd Gen SUNMI Terminals.

With its sleek aluminum body housing a 15.6" thin-bezel FHD screen, D3 PRO provides a tidy cable management solution with intentionally streamlined stand and base. This design not only ensures durability but also adds a touch of style, consistent with all 3rd generation products.

## More powerful, not just in performance.

D3 PRO, coming with a Qualcomm platform, 4GB RAM + 64GB ROM memory, and fingerprint login for SUNMI One ID service, definitely will offer you improved user experience.

## SUNMI OS 4.0

born for business, better in experience.

Enjoy one-touch convenience with integrated account and touch ID. Deploy remotely and launch immediately.

## Extendable modules designed for your growing business.

**15.6"** thin-bezel  
FHD screen

Cables  
Concealed

Qualcomm platform

10" customer display  
(Option with NFC ,Tap on  
Glass to support SoftPOS) .

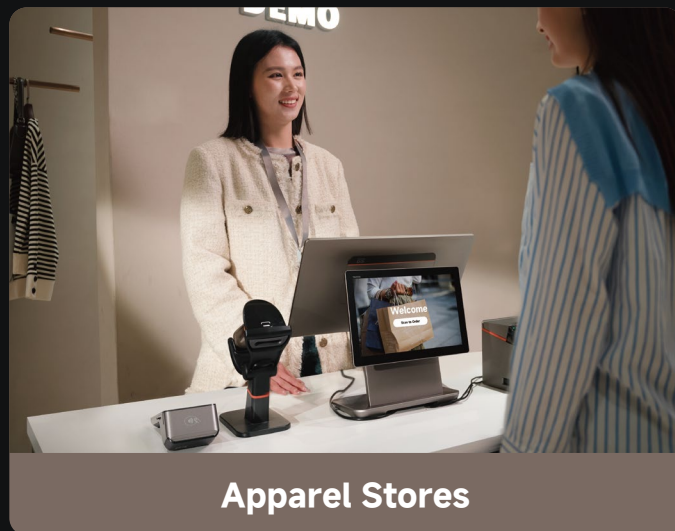

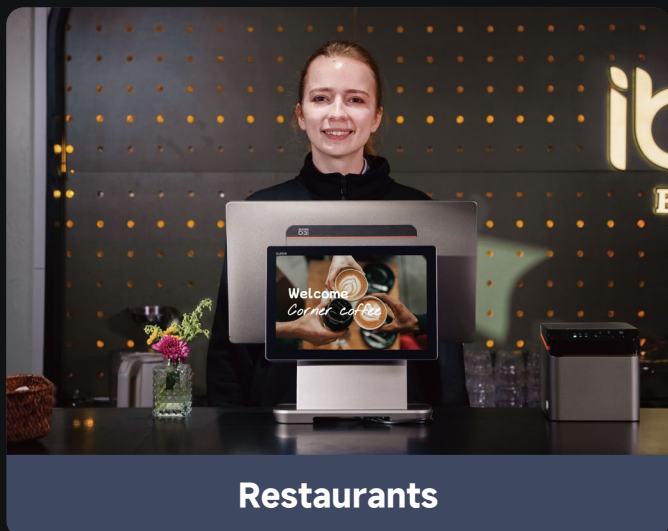

Plug-and-play,  
no assembly required.

Connect a secondary display with a USB cable and offer the best interaction experience to your customers.

## SUNMI D3 PRO Application Scenario
